SPEEDEX GROUP

BUILDING A LEGACY. TRANSFORMING THE FUTURE.

DIVISIONS:

Speedex Group is a Dubai-based conglomerate that has been making waves in the retail industry **since its inception in 1991**. The company was founded by **Mr. Moiz Tayebali**, a visionary entrepreneur with a deep-rooted passion for quality and sustainability.

The company's journey began with supplying wire nails to local crate manufacturers in Mumbai, while Mr. Moiz was still studying. Soon after, he saw the bright future and opportunity in the UAE and, along with his close friends, started an **import and export business in Dubai in 1979**.

What started as a small hardware store in Deira has now grown into a diversified conglomerate with multiple divisions, including Speedex Tools, Symbolic Developments, and UNS Vertical Farms. Speedex Group's **commitment to excellence** and innovation has enabled it to become one of the leading import and export businesses in the UAE.
